CLEANERS & REJUVENATORS

ACETONE

General purpose cleaner.

CALCIUM DEGLAZER

Glaze remover for all applications subject to calcium build-up, especially in hard water areas.

COMPLETE

Biodegradable plate cleaner and finisher for use in all offset printing.

CtP PLATE CLEANER

Unique formula that contains no abrasive properties. Ensures easy removal of all inks including UV and metallic. Will not damage even the softest of CtP plate coatings.

FILM CLEANER

Non streaking, fast drying film cleaner with anti-static properties. Safe on any film.

FOUNTCLEAN

Non foaming dampening systems cleaner. Eliminates bacteria. Use with our Varn super soaker's and bacteria inhibitor.

GLASS CLEANER

Safe, non abrasive antistatic cleaner.

MEK

Effectively restores rubber surfaces.

MRC

Powerful degreaser ideal for bareback dampeners where fast evaporation is required.

UV MRC

Fast evaporating degreaser for UV inks.

MOLL CLEAN

Concentrated detergent based dampener roller cleaner.

PEARLdry™ PLATE CLEANER

PEARLdry™ is approved for use with Presstek digital waterless plates. Removes all residue remaining from the imaging process, ensuring quick, clean start-ups

PENETRATION PLUS

Cleans and restores rollers and blankets. Improves print quality. Adds life to blankets.

PLATE PLUS
